

My Favorite Hobby - Parenting

If asked to pick a favorite "Hobby" I'd have to say my favorite hobby is Parenting. I truly enjoy my family.

My youngest daughter is Emmalyn Claire. She is spunky and silly. She gets that from me. She loves animals and caring for things. She also enjoys crafting. She looks up to her big sister but also enjoys being a pain to her sister. She gets that from me as well. Luckily, she gets her looks from her momma.

My Oldest daughter is Addeline Grace. She is has one of the biggest hearts I've seen. She gets that from her mom. She loves music and having friends. She was diagnosed with type 1 diabetes at a young age and that forced her to grow up faster than she should have. She is very smart and has a short attention span (like her father). Luckily, she also gets her looks from her momma.
